Mrs. Deahl has her excitement. Let's listen for awhile and see what happens. "Ouch! I burned my finger. What happened to my needle? . . . The rolls are burning . . . Gosh, what a day!" Now turn to the serious side of the Home Ec Club. In November and March, they had Bake Sales in the cafeteria. At Christmas time the club collected toys for the Allen County Children's Home. In the spring they had a semi-formal Mother and Daughter Banquet when the awards were given. During the year, the girls mended those huge football uniforms and also hemmed the girls' shower curtains. The Home Ec Club meetings consisted of several interesting topics with speakers from Vesey's Floral Company, Bobbi Ray's Charm School; and Cliff Robbins, the hair stylist.

Have you heard? The Tinker-Y has grown so large it was necessary for a split in the club. The juniors and seniors went their way; the sophomores went theirs. There was always something going on: folding bandages, hanging greens, stuffing envelopes, etc. . . .

Dramatics

Dean Cutshall, Dovid Greider, Lindo Wilson, Carol Ann Dulin.

The Dramatics Class this year presented a play which turned out to be one of the best ever. It was entitled *The Glass Menagerie*. The leading characters were as follows: Linda Wilson, Dave Greider, Carol Ann Dulin, and Dean Cutshall. Also this year the choir, the band, and the class produced "Amahl and the Night Visitors" for the P.T.A. and any students who wished to come. Judy Mize, Mary Ann Stump, Keith Dafforn, Guy Hite, and Lester Anderson played the main roles. "Amahl and the Night Visitors" was another success.

The artistic sets were designed by Sue Hackleman. Ron Davis and Dave Greider controlled the lighting, and Jim Howard worked hard on the construction for the sets. Mr. Goss supervised this work and directed the dramatic productions.

Booster Club

"Be calm . . . be cool . . . and be collected!" This year the Booster Club had a total membership of one hundred and fifty-two members. They were very happy to have with them their new sponsor, Mr. Weber, and also the assistance of Mr. Werling, their former sponsor. Because of the split lunch hour, all Booster Club meetings were held on Friday mornings at 7:30 A.M. At the beginning of the basketball season, the club purchased for the varsity team two more red and white traveling bags. This year the Booster Club again purchased sectional tickets for its members. The money for these tickets was obtained from the profits of the popcorn sales at the home games. The point system for this year was as follows:

- 5 points for yelling at home games
- 20 points for selling at home games
- 20 points for shoe check at home games
- 150 points required for a letter

The main purpose of the Booster Club is to promote good sportsmanship among the fans and to cheer the Red and Gray on to victory. In addition to cheering, the club sponsored a sock hop after the home game with Hometown. Along with the Projectionists and the Phi-Chem Club, the Booster Club had a picnic on June 9 at McMillen Park.

Rifle Club

The officers of the Rifle Club were as follows: Ronnie Eakins, president; Jim McCoy, vice-president; and Linda Hawkins, secretary-treasurer. As in years before, the club's main sponsor was Mr. Reed. He was assisted by Miss Strickland and Mr. Poor. There were 42 members this year.

The Rifle Team was shot against Howe and against Culver; the freshmen walked away with honors against Poplar Grove.

On March 5, the club shot in the state (regional) match. Later in April they shot in the Nationals. Last summer ('59) in the Regionals at Louisville, the team took a second.

To pay for these trips, which are rather expensive, the Rifle Club this year sponsored a Soc Hop (the first one of the season). Later they sold candy.

So far this year, two people, Mike Black and Judy Poffenberger, have received their letters. Also working toward the greatly coveted Distinguished Medal are: Jim McCoy, Doug Gillie, Gary Bender, Linda Hawkins, and Larry Schavey.

Thirty-six boys were on the 1959 cross country team. Practice first began the third week in August. Bluffton was the first Elmhurst opponent. Central Catholic, Huntington Catholic, Central, New Haven, Arcola, Concordia, Central Catholic, and South Side were run in that order. Against these 8 opponents Elmhurst won 5 and lost 3. Also, our team took second in the N.E.I.C. meet and then fifth in the sectional meet.

Reinhold Mueller led the Elmhurst boys for a team first in every meet. His bests were a second in the conference meet and a sixth in the sectional. He broke the school record three times and now is the record holder with 10:03 for the near two-mile course. Behind Mueller in team position were: Dave Waldrop, Kenny McGill, John Mitchell, John Gres, Dean Cutshall, Doug Caston, Guy Hite, Charles Johnson, John Waldrop, Clay Adams and Tom Horton. They were the twelve who qualified for the sectional. Next year all will return but McGill.

Football, although a new sport this year, had a successful season. The boys on the team found out that it is a rough sport and a different sport.

The team captains were Ronnie May and Ronnie Downing. Doug Smith, who played guard, was elected The Most Valuable Player by the team. Playing the single wing offense seven games, the team won 3, lost 2, and tied 2. Most of these teams are in the N.E.I.C.

Next year will be the first year of varsity competition and the Trojans are expected to do well.

TOP ROW: Ston Ketzler, Fronz Mueller, Bob Miller, Dove Waldrop, Charles Hall, Guy Hite BOTTOM ROW: Mgr. Phil Kauffman, DeWoyne Northcutt, Bill Beard, Tom Ice, Dove Foreman, Jerry Nicholson, Coach Werling.

Reserve Season

The Elmhurst Reserves posted a 4 win, 18 loss season. The team consisted of freshmen, sophomores and one junior. A point that might be brought out in relation to their won — loss record is that last year's starting five on the freshman team was moved up to the varsity and therefore missed a chance to gain valuable reserve experience as well as help the team. Reinhold Mueller led the team in scoring by pouring through 108 points in 15 games for an average of 7.2 points a game. Bill Beard was the second leading scorer with 90 points in 19 games for an average of 4.78 points a game. Guy Hite followed closely in third place by scoring 90 points in 20 games for an average of 4.5. Bob Miller and Dave Foreman led the team in total rebounds. Next year these boys will be expected to make the jump to the varsity team.

Varsity Season

The Elmhurst Trojans finished the 1959-60 season with 2 wins against 18 losses. Of the 18 losses, several games were lost in overtime or by small margins. In the County Tourney, Elmhurst was defeated by Lafayette Central 46-44 in their first game.

The Trojans met the Leo Lions in the Sectional and dropped an overtime thriller 70-65.

Don McLean took the individual scoring honors by tallying 240 points in 20 games for an average of 12 points per game. Neal McKeeman won the free throw honors by cashing in on 63 of 90 charity attempts. Ron Pequignot led the rebounding department with a total of 139.

Karl Fortner and Don McLean received honorable mention for the All County Team. The Trojans did not place anyone on the All City Team, but Neal McKeeman and Don McLean received honorable mention.

Modern Jazz Group

"Come on! Let's put more action in it! Stretch, bend, up, down!" That's the way the Wednesday night practice goes from 3:30 to 5:00.

Ann McClure is the instructor and choreographer of the Jazz Group. The girls are now beginning to learn their right feet from their left feet. (Only kidding!) These girls put in many hours of hard, exhausting work; but it's fun and very enjoyable. Just as the girls.

The dancers in the picture are the girls that participated in the Mint Julep Group last year. Plus this group, there have been many others participating in this year's Jazz Group.

Although these girls were in this group mainly for their own enjoyment, they took part in many shows throughout the year. They put on a show during intermission at the January 8 basketball game. One of the dances, Shoeless Joe, was also given at the G.E. Christmas Program.

Ann McClure, Lois Baird, Susan Mansfield, Sandy Follis, Sharon McClintick, Karen Hahn, Cheryl Meyers, Cheryl Smith, Diane Davis, Joan Roberts, Carol Humm, and Vickie Hodell prepared two novelty numbers for the Talent Show given April 1. The dancers participated with the Talent Show Cast in several charitable shows. This group made a return visit to the Ann Adams Review. The Mint Julep Group were guest performers last year at Miss Adams' Review.

The requirements for this group are: interest and ability in dancing, willingness to give up your own time, and cooperation with the director and the group.

Have you ever noticed how smoothly and efficiently our cafeteria is operated? This is due mostly to the 34 students who work both noon hours. They are under the supervision of Mrs. Deahl. These workers have a wide variety of duties which include the following: serving the main dishes, serving desserts, replenishing the extra special treats such as vegetable and fruit salads, fruit and filled pies, replenishing milk, tabulating the amount and kind of food served, selling snacks at the snack bar in the dining room, washing all the dishes and seeing that they are put away in their proper places, and washing the tables when everyone has finished eating. In general these workers are a great help to the five cooks, Mrs. Deahl, and the students.

If a student works in the cafeteria for two years, he earns a letter; if he works for four years, he may earn a letter sweater. All the workers receive free dinners for their work.

Of course, a cafeteria worker's life isn't all work and no play. They had a Christmas party and a gift exchange with movies and refreshments as an added attraction. They also had a party this spring where the letters or letter sweaters were presented.
